

Dear Valued Customer,

Aubin Industries, Inc. has implemented policies and updated procedures to address the “California Safe Drinking Water and Toxic Enforcement Act (*commonly referred to as “Proposition 65” or “Prop 65”*). This law which has been continually updated, requires warning on products that contain certain chemicals. A list of these chemicals can be found at www.P65Warnings.CA.gov.

The list contains approximately 900 substances, including naturally occurring and synthetic chemicals that may cause cancer, birth defects, or other reproductive harm if exposed to certain emission levels. The list includes additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects, or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

To date, our organization has not identified chemicals that cause cancer, birth defects, or other reproductive harm to be present in our products.

We at Aubin Industries, Inc. believe our products are not harmful when used as designed but we take this law very seriously. We are committed to providing high quality products that are safe to our customers. Therefore, our organization is labeling all product boxes out of an abundance of caution. It is recommended that you label, as a precaution, any products shipping into the state of California.

This document is intended for informational purposes only. For additional information regarding Proposition 65, please visit www.P65Warning.CA.gov. For any questions related to our company and/or products, please contact us directly at info@aubinindustries.com.

Best regards,
