RoHS Directive 2011/65/EU and RoHS Amendment (EU) 2015/863 Certificate of Compliance

Aubin Industries Inc. has a commitment to ensure our products and operations comply with relevant environmental legislation and regulations, to responsibly manage the use of hazardous materials in our operations, products and services, and promote recycling or reuse of our products. Aubin is migrating products to meet the EU RoHS Directive Substance Restrictions; new product introductions and expand the RoHS-compliant portfolio of products.

RoHS Directive 2011/65/EU, the RoHS Amendment (EU) 2015/863 adds Category 11 (catch-all) products and adds four new substances and restricted phthalates. The four phthalates are mainly used as insulation plasticizers and are on the REACH list of SVHC (Substances of Very High Concern).

Aubin Industries Inc. works closely with its supply chain partners to assure compliance to restricted material requirements of all products and materials supplied by our partners and products delivered to our customers. Aubin Industries' parts and products do not contain any of the 10 restricted substances over 0.1% w/w (weight by weight).
