

**Declaration of Aubin Industries Inc. Non-Use of Talc and Asbestos
Policy Statement**

Statement Issue Date: January, 28, 2021

Products Covered:

All Products manufactured by Aubin Industries, Inc. unless the product is specifically stated otherwise

Note: This is a General Statement – please contact Aubin Industries, Inc. if you require a product specific (by Part Number) declaration

Through our own investigations and information obtained from our suppliers, we are confident that the materials used in the manufacturing of our components, do not contain Talc or Asbestos. Aubin Industries raw materials suppliers assure that their products do not contain these materials:

- Talc
- Asbestos

Aubin Industries, Inc. hereby confirms that asbestos materials are not utilized in any product, assembly or sub-assembly sold by Aubin Industries, Inc.

Philip Aubin
President
